

AMENDMENTS TO THE DRAWINGS:

Please find accompanying this response a replacement sheet for Figs. 1 and 2, apparently missing in the scanned document file history. The replacement sheet reflects exactly the drawings originally filed with the application, and are being provided for the convenience of the examiner, and to insure that applicant is fully responsive to the Office Action.

REMARKS

The Examiner indicates that a new drawing sheet of Figs. 1 and 2, referred to in the specification, are required. Submitted herewith is a Replacement Sheet for the drawings originally filed, and apparently not scanned properly at the Patent Office, since they cannot be located by applicant in PAIR. However, no new matter is added by their re-submission at this time, since it is clear from the published application and the certified priority document (the latter on PAIR) that these drawings were already in the case on file.

A phone call was made to the Examiner's Supervisor, Henry Johnson, wherein it was discussed that applicant would be providing the drawings in response to the Office Action, but that applicant would expect to receive a non-final next Office Action substantively addressing the claimed subject matter.

Claims 9-16 are rejected under 35 U.S.C. § 112, first paragraph, as not being enabled by the specification. Applicant herein respectfully traverses this rejection.

The rejection is based upon the alleged lack of drawings, which are herewith provided. As such, the rejection is submitted as being overcome. Therefore, reconsideration of the rejection and allowance of the claims are earnestly solicited.

Applicant respectfully requests a three (3) month extension of time for responding to the Office Action. Please charge the fee of \$1,110 for the extension of time to Deposit Account No. 10-1250.

The USPTO is hereby authorized to charge any fee(s) or fee(s) deficiency or credit any excess payment to Deposit Account No. 10-1250.

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited.

Respectfully submitted,
